

Stress Management Workshop

Announcement (39/ 2016)

The Department of Student Services invites staff and students to attend a Stress Management Workshop that will be held to:

1. Inform participants about what stress is;
2. Inform participants about what stress management is and the symptoms of stress;
3. Make participants aware of what influence stress has on their emotional, social and psychological functions;
4. Teach participants different ways of stress management/stress relief.

Refreshments will be served.

Date: Wednesday, 21 September 2016

Time: 11:30

Venue: SRC Boardroom, Department of Student Services
