CAREER OPPORTUNITY

The Namibian Standards Institution (NSI) was established in terms of the Standards Act, 2005 (Act No. 18 of 2005). The primary role of the NSI is to promote Standardisation and Quality Assurance in industry, commerce and the public sector in Namibia, with the aim of improving product quality, industrial efficiency and productivity, and to promote trade, so as to achieve optimum benefits for Namibia.

The NSI have Graduate Training opportunities for Namibian Graduates in the fields below:

Field of Studies	NSI Division	No. of Placements	Future Career Path
Bachelor of Science majoring in Microbiology	Testing Centre (Walvis Bay)	1	Microbiologist
Bachelor of Science majoring in Chemistry or Analytical Chemistry	Testing Centre (Walvis Bay)	1	Chemist
Bachelor of Science in Microbiology or Chemistry	Testing Centre (Walvis Bay)	1	Quality Assurance
Bachelor of Science Food Technology or Food Science or Microbiology	Inspection Centre (Walvis Bay)	2	Inspector (Fishery Products)

Applicants not meeting the criteria need not to apply. Only shortlisted candidates will be contacted.

Applications should include a Curriculum Vitae, Certified copies of qualifications, academic transcript and copy of Identification document or passport.

The NSI is an equal opportunity employer and encourages applications from the designated groups e.g. women and persons with disabilities, in particular, in terms of the Affirmative Action (Employment) Act No. 29 of 1998)

The closing date for applications is 30 November 2018.

Applications can be addressed to the Manager: Human Resources and hand delivered to all the NSI branches. No faxed or emailed applications will be accepted.
