

# First Friday Leadership Workshop

## Announcement (24 / 2016)

The Section: Student Counselling and HIV/AIDS Coordination Service is facilitating a session on “Thermostats and Thermometers - Effective Leadership changes the climate”.

**Presenter:**

Mr Sydney Jaftha: African Leadership Institute

**The objectives of the programme are to:**

- Promote interest in leadership among students at the Namibia University of Science and Technology (NUST);
- exchange leadership ideas by providing public lectures and discussions; and
- to offer a support system, which enhances the education curriculum of NUST with the intension of preparing its members for the many challenges that lie ahead in the corporate and personal world.

**Date:** Friday, 13 May 2016

**Venue:** SRC Boardroom

**Time:** 12:30

---
