NOTICE TO STUDENTS

All the undergraduate (including the Honours programmes) students who fully settled their old debts and have not registered for the second semester due to their inability to raise the required minimum deposit can now provisionally register without the deposit until the 5th of August 2016. However, they will be required to pay the amount of N\$3,500 by 31 August 2016, failure of which will result in de-registration.

These students remain personally responsible for the tests and assignments for this term and should make arrangements with their respective lecturers. Distance mode students affected by this notice should contact the COLL Centre nearest to them for assistance before registering.

I thank you.
